

EDMONDS FLORETUM GARDEN CLUB

SCHOOL GRANTS

Purpose: To provide supporting funds to Edmonds area elementary schools for projects that support and encourage gardening activities and/or horticultural education.

Who may apply: Any Edmonds School District administrator, teacher, or designated representative. Schools with existing gardens may also apply.

Applications will be due October 31, 2024, funds will be awarded shortly after directly to the school through the school principal.

The amount of grant will be up to \$1,000. Unused funds must be returned to Floretum Garden Club unless approved for a continuing project.

Funds may be used for: development of school gardens (seeds, plants, soil, mulch, tools), sheds, paths, watering systems. Funds may also be used for classroom projects related to horticulture including instructional materials.

Reporting: The grant recipient must submit a written report by the end of the current school year. This could include details about students, teachers, parents, administrators, and community partners involved and objective achieved (or not achieved). We encourage stories and photos which will not be made public without permission.

EDMONDS FLORETUM GARDEN CLUB
SCHOOL GRANT APPLICATION
